Dear Interested Proponent

Grady Health System is pleased to release a copy of the Medical Surgical Product Distribution Services Request for Proposal and all supporting Attachments and Exhibits. We look forward to your participation in this key, strategic initiative.

Please read all documents in their entirety and adhere to all expectations, obligations and due dates specified within this RFP. Please note the Single Point of Contact below for the RFP. No Bidder is allowed to contact and discuss any portion of this RFP, or RFP process, with any employee of Grady Health System at any time during the RFP Process other than Grady Health System's Single Point of Contact ("RFP Quiet Period" or "Quiet Period"). GHS staff, if approached individually, will direct all questioning back to the Single Point of Contact. All questions regarding the RFP should be addressed in writing to Ivan Mann, Senior Resource Specialist, imann@gmh.edu

We are affording a total of seven weeks for the development and submission of any Proposals. We have allotted this time in order to allow for a detailed, thorough and well thought out response.

Thank you for your time and effort regarding this initiative. We look forward to the potential of reviewing your Proposal.

Best Regards,
