

# The Office of Health Equity is sponsoring the Teen Experience and Leadership Program (TELP).

**Now accepting  
applications for  
Summer 2023.**

**TELP is open to youth who are in high school and between the ages of 14-19. Youth will shadow professionals in the hospital in 4-hour shifts. A minimum of one shift per 2 weeks is required. Hours count as volunteer hours. TELP offers a viable and dynamic solution through its mission to:**

- Enhance community partnerships by providing opportunities for teens to experience working in a healthcare system.
- Provide exposure and experience with various health occupations.
- Teach and enhance leadership skills.
- Increase the workforce by developing a healthcare pipeline.
- Provide opportunities for employees to be role models and increase their community engagement.

**Scan the QR code to apply  
and for more information.**
