INVITATION for QUALIFICATIONS
GHS-FD Project #: GRADY SHORT TERM GENETIC TESTING LAB

The Grady Memorial Hospital laboratory is accredited by the College of American Pathologist (CAP). The clinical laboratory offers chemistry, hematology, microbiology and blood bank services, as well as specimen collection services (phlebotomy). Laboratory services are computer linked so that physicians and staff have immediate access to complete tests. As Grady inpatient capacity grows more demands will be placed on a modernized Hospital lab to deliver more and more test results to support the GRADY mission. GRADY patients depend on laboratory tests. According to CDC, “70% of today’s medical decisions depend on laboratory test results” showing the important role of clinical laboratories in today’s healthcare system. As we grow bed capacity factors like not receiving test results on time can cause extended length of stay and even delayed diagnosis, which in turn can cause harm. The hospital lab is approximately 21,071 SF in its current configuration. The modernization of this critical space will remain in its current footprint, less some offices, which may be displaced into adjacent areas.

This effort is intended to bring Grady short term testing space.

Permanent genetics testing areas includes: (OUT OF SCOPE)

- EXTRACTION ROOM - PRE-PCR 315 SF
- MASTER -MIX ROOM 140 SF
- ANTE-ROOM 115 SF
- AMPLIFICATION ROOM - POST PCR 910 SF
- SEQUENCING ROOM - POST PCR incl’ed

**Local, Small Economically Disadvantaged Business Utilization**

It is an overall objective of The Grady Memorial Hospital Corporation, d/b/a Grady Health System (GHS) to encourage involvement by local, small, economically disadvantaged contractors and suppliers in business activities generated by GHS®, while assuring that such activities will be conducted in accordance with all applicable laws. It is the declared policy and intent of GHS® to strive to maximize participation of local, small, economically disadvantaged businesses through all business contracting opportunities. GHS® is committed to ensuring that local, small, economically disadvantaged businesses are given every opportunity to participate in contracting opportunities.

GHS® prohibits discrimination on the basis of race, color, gender, religion, national origin, or disability in connection with employment of any person, or the award of any contract. GHS® will provide equal opportunities without regard to race, color, gender, religion, national origin, or disability, by requiring that any vendor doing business with GHS® provide equal opportunity to persons and businesses employed by, or contracting with the supplier of products and services to GHS®.

GHS® expects that the policies, programs and practices of its vendors/contractors are carried out in an equitable fashion and that local (Fulton County, DeKalb County, State of Georgia), small and economically disadvantaged business enterprises are afforded an equitable opportunity to share in contract/subcontract opportunities.

These documents are considered a part of and should be submitted with the qualifications package. Failure to provide the requested information will result in the proposal being determined non-responsive.
